Ingredients

From traditional to festive holiday blends!

Explore a variety of herbs, spices, and teas, learning about their flavor profiles and benefits. You will then craft your own unique tea blend, mastering the balance of flavors and aromas.

Whether you're a tea enthusiast or a curious beginner, this workshop provides the tools and knowledge to create your own soothing or invigorating blends.

Take home your custom tea mixture and recipes, along with the confidence to continue experimenting on your own.

Perfect for the holiday season!
