

Social Media for Actual Socializing

Looking to connect online without the nonsense? Join us for *Social Media for Actual Socializing*, where we explore the usual platforms like Facebook, along with hidden gems better suited for meaningful connections.

Whether you're tech-savvy or just dipping your toes in, you'll discover new ways to socialize online—selectively.

Get specific ideas for for your personal interests and needs. Tons of topics for older adults to explore. Reading and writing, hobbies, even companionship!

We will also share out *Funniest Online Moments of All Time* for a fun, lighthearted look at the online world.

*Don't miss this engaging, laugh-filled session.
Social media the way it should be!*
