## UFOs and Spy Balloons Examined

### Are UFOs Real? Come hear what the experts are saying!

Join podcaster and paranormal enthusiast Chris Torres (we promise he's not a crackpot) as he takes you through the most recent developments on the topic of UFOs, including the New York Times article that broke the story, as well as the first Congressional hearings on UFOs in over 50 years!

Chris will also review exactly what our elected representatives, government officials, and prominent scientists have said on the topic of UFOs (now known as UAPS) and what we might see next.

If you are curious as to what has been seen flying around our skies, this is the talk for you.

#### **About the Presenter**

Chris Torres has had an interest in UFOs and "The Paranormal" for over 35 years. Open-minded and extremely curious, Chris enjoys researching and discussing "fringe" topics, everything from UFOs to the possible existence of a "lost civilization" and co-hosts a podcast doing just that. Originally from Methuen, Massachusetts, Chris now lives near the beach in Salisbury, Massachusetts with his partner, Rosie.
