

# YouTube & You

Learn YouTube and other streaming services

## Hundreds of Channels With Nothing to Watch?

Learn how to set up a profile safely and easily on YouTube. From there, we will review YouTube channels and creators of interest to older adults.

Cooking. Travel. Music. How-To. Videos on any topic you can think of, so bring your imagination!

We will also review online safety, what's free, what's not, and tons more! There's something for everyone! No computer is needed to participate - just yourself.
