

Garden Talk

Join Us for a Q+A Session with an Expert Home Gardener

Not sure what to do? Need some help?

This workshop offers a unique opportunity to uncover the secrets of both indoor and outdoor gardening while learning invaluable tips for every season and type of garden.

Engage in lively discussions with Peggy, our expert gardener as she takes you through some of her lessons & experiences. She will bring examples from her personal garden and take questions on a variety of gardening topics. She might even bring some cuttings to share!

Come share and grow your passion for gardening in a supportive and enriching environment.

About the Presenter

A passionate gardener, Peggy Curtis has held various elected offices in the Brockton Garden Club, and has been a leader for the PTA, the Girl Scouts, and the Boy Scouts of America. She was most recently appointed as a Commissioner for the Brockton Conservation Commission. In her free time, she volunteers for charities, and enjoys gardening, reading, traveling, and spending time with her grandchildren. *Peggy presents popular workshops on gardening and other activities for Therapy Gardens.*
